

READY TO BE PART OF THE WINNING TEAM???

In 2009, Telco Experts entered into PAETEC’s “Shoot & Score World Cup Challenge” Contest. Over a 10 month period, the challenge, like in the World Cup itself, placed Wholesale Customers into groups (Tiers) who battled against each other for top honors in their Tier.

Telco Experts is proud to announce that we not only achieved a top place ranking in the contest but have been invited by PAETEC to participate in its Reseller Advisory Board and work with its senior management team to help shape the future of its resale program. **This goal was achieved through the hard work and dedication of our current Agents and our entire organization. Are you ready to join us?**

It was the belief in Telco Experts, through our current Agent Partners, that brought us to the next frontier for Telco Experts, our Agent Partners and our clients...nothing will hold us back from continuing to be the best in our industry. In addition to Paetec, Telco Experts is continually generating significant revenues for many other underlying carriers we work with regularly.

There are many benefits to you and your customers for partnering with Telco Experts; choice, pricing and service, and of course, top commission and bonus options are just a few. Isn’t it time you join the Telco Experts’ team? Telco Experts is simply THE provider for you to partner with. Join Today!
